## Reading to Rescue Pledge Options

Please consider making a pledge to encourage reading and support Princeton First Aid & Rescue Squad! Reading to Rescue is sponsored by Princeton Regional Education Association (PREA), and all proceeds go directly to Princeton First Aid & Rescue Squad (PFARS) to help them obtain new vehicles and support day-to-day operations in our community. PFARS is a 501(c)(3) nonprofit organization that is not affiliated with any hospital, medical, or government agency and does not receive funding through the town. Instead, they rely on fundraising, donations, and billing to keep the organization going and be able to provide our community with the help they need when an emergency arises. All donations are tax deductible and greatly appreciated!

**Our read-a-thon runs from May 1<sup>st</sup>- May 14<sup>th</sup> and will be based on minutes read per participant.**

If you choose to make a pledge, there are two different ways you can give:

**1) You can pledge an amount for minutes read.**

If you choose to make a donation per minute, you will tell the participant the amount that you will give them per minute they read, and then they will tell you the amount that they read at the end of the read-a-thon. If you select this option, you can put a cap on your donation, should you choose. Please just indicate that on the pledge form ahead of time.

**2) You can also make a flat donation.**

If you pledge a flat donation, you will give that amount no matter how much the participant reads. You can give this donation at any time during the event.

**Pledges can be paid online or by check.** Pledges can come from family, friends, neighbors, coworkers, etc. Some companies will even match your donation! We ask that all pledges are turned in **no later than Wednesday, May 17<sup>th</sup>** as awards will be handed out at the Reading to Rescue Celebration on Sunday, May 21<sup>st</sup>, 2023 at the PFARS station. For those unable to attend on Sunday, May 21<sup>st</sup>, you will receive your award in an alternative way.
